Signature of parent or guardian: _____ Date: _____
(if student is under 18)

Staff endorsement:

Our staff has selected the above student to receive the 49er Student Recognition Award. We have considered many factors in making this selection including financial need, motivation, grades, family circumstances, and other scholarships they may or may not be receiving. Our selection is not based on grades alone. We understand that this award will be a one-time check (currently $500). This check will be sent to the student via the counselor. If we have a student eligible for the Death Valley 49ers 4-year scholarship (currently up to $18,000.) we will direct them to the more lengthly application which is available on line.
